#### D2: Beijing Great Wall-Summer Palace-Summer Palace

After breakfast, transfer to visit <Mutianyu Great Wall> (Inc: cable car round trip), UNESCO world heritage site, a must see for any visitor to Beijing. A symbol of China's historical detachment and sense of vulnerability, the Great Wall snakes over deserts, hills and plains for thousand miles. After Great Wall, visit <Summer Palace>, served Qing Dynasty as an imperial retreat from the stifling summer confines of the forbidden city. On the way back to hotel, drive to pass by Bird Nest and Water Cubic for taking pictures which was designed to be the stunning centerpiece of China's massive building program for the 2008 Olympic, it is part of the city's "Olympic Green".

Hotel: sun world hotel or similar 4 star

Breakfast:× Lunch:√ Dinner:√

#### D3: Beijing Tian'an men Square -Forbidden City-Temple of Heaven

After breakfast, transfer to visit <Tian'an men Square>, the Square of the Gate of Heavenly Peace-is a vast open concrete expanse at the heart of modern Beijing. With Mao's Mausoleum at its focal point, and bordered by 1950s Communist-style buildings and ancient gates from Beijing's now leveled city walls. Mao's huge portrait still remains at the Ming dynasty gate. then walking to <Forbidden City>, forming the very heart of Beijing, the Forbidden City, officially known as the Palace Museum, is China's most magnificent architectural complex. completed in 1420, the huge palace is a compendium of imperial architecture and a lasting monument of dynastic China from which 24 emperors ruled for nearly 500 years. Afterwards transfer to visit <Temple of Heaven>, which completed in Ming dynasty. It was here that emperor would make sacrifices and pray to heaven and his ancestors at winter solstice
